Checking In a PDIP

Instructions for Checking In a PDIP

The screenshot shows the PDIP web application interface. At the top, there is a dark blue header with the PDIP logo, navigation links for Plans, Search, and a year selector set to 2015. A user profile icon is in the top right. The main content area is titled 'Mission Plans' and includes a subtitle 'GAB, COM MISSION PLANS FOR 2015'. Below this, there are three sections: 'Draft Plans', 'Completed Plans', and a detailed view for the 'U.S. Mission to Gabon 2015 PDIP for Gabon'. The 'Draft Plans' section contains a table with columns for Country, Year, Version, and Status. The table lists two entries: Comoros (2015, 0.2, Checked Out) and Gabon (2015, 0.3, Modified). The 'Completed Plans' section shows a message: 'There are no completed plans.' The detailed view for the 'U.S. Mission to Gabon' includes a table with fields for Mission, Country, Fiscal Year, and Version Number. Below this table, there are five goals listed. At the bottom of the detailed view, there is a footer indicating the current version and modification date, along with a Help link. The 'Check In' button is highlighted with an orange circle.
